

## Native Grass Seed Mix

Once again we are pleased to offer a NATIVE GRASS SEED MIX which is ideal for mined land revegetation works, landscaping of road works and other civil works. The mix is made up of nine grass species, all excellent lines and free of exotics and weeds. Our native grass seed mix has proved extremely popular last season and we expect demand to again be high.

Astrebla lappacea	(Curly Mitchell Grass)
Bothriochloa bladhii	(Forest Blue Grass)
Bothriochloa insculpta	(Bisset Creeping Blue Grass)
Cymbopogon refractus	(Barbed Wire Grass)
Dicanthium sericeum	(Queensland Blue Grass)
Heteropogon contortus	(Black Spear Grass)
Panicum maximum	(Green Panic)
Paspalidium jubiflorum	(Warrego Summer Grass)
Themeda triandra	(Kangaroo Grass)

Price is \$59.50 per kg (exclusive of GST and delivery charges) with a minimum order amount of 10 kg.
